SEASALT SUCCESS

Irish Atlantic Seasalt has been named as the overall winner of the West Cork Enterprise Board's Local Company of the Year Award 2012. The award was presented to Michael and Aileen O'Neill. The couple have been running the business since 2010.

Irish Atlantic Seasalt produces high quality sea salt from the local fresh waters of the Atlantic and supplies over 100 independent retailers and 50 supermarkets across Ireland. In the past number of months, the company has invested in the development of a 3,000 square foot premises. The new state-of-the-art building will allow the business to upscale production in excess of one tonne of salt per week.
